

MOTION BY SUPERVISOR DON KNABE

October 28, 2003

South Torrance High School surfing team, a non-profit high school sports team, has requested access for free parking at the Torrance Beach parking lot from October 28, 2003 to June 30, 2004 from 6:30 AM to 8:30 AM before the parking lot opens for team practice. The team members want to avoid parking in the local surrounding neighborhoods, which upsets local residents, and have come to the County for assistance in use of our beach parking facilities during winter months.

The on-site parking vendor charges admission after 8:00 AM for a lot which is virtually vacant. The team members have to be back at school for classes and paying a flat \$4 fee is not practical, especially when ample public parking exists across the street.

I, THEREFORE MOVE, THAT the Board of Supervisors direct the Director of the County Department of Beaches and Harbors to permit the team members to use this County beach parking facility for its practices and competitions, excluding liability insurance. There are no fees to waive because the alternative is free parking in the nearby neighborhood.
